History

The IFWLA established a Patron's Club in 1991 and 14 years later it is exciting that this club remains in existence, although 2005 sees a name change to "**Friends of International Lacrosse.**" The purpose of the club however remains the same, ie
"To support the IFWLA with special projects and to continue friendships around the world as part of one big Lacrosse family"

Goals

- ❖ To promote lacrosse worldwide
- ❖ To assist YOU in maintaining contact with Lacrosse friends in other countries
- ❖ To bring together, through social events, communication and activities, past and present players, and Friends of International Lacrosse from all over the world
- ❖ To support the development of lacrosse world-wide, with an emphasis on officiating

Projects

- ❖ Supplied medals, ribbons, replicas of perpetual trophies and certificates for World Cups and U19 World Championships
- ❖ Financed perpetual U19 World Championship Trophy
